

Uniting Business. Advancing Arizona

About Us

Since 1974, the Arizona Chamber of Commerce & Industry has been the leading statewide business advocate at the Arizona Capitol and with the Arizona congressional delegation. Our diverse membership employs over 300,000 Arizonans in all business sectors and includes small, medium, and large employers. Arizona's elected officials, regulators, and grass roots activists consider the Arizona Chamber of Commerce and Industry one of the most effective and respected public policy associations in Arizona.

The Arizona Chamber of Commerce & Industry is committed to advancing Arizona's competitive position in the global economy by advocating for free-market policies that stimulate economic growth and create prosperity for all Arizonans. Our Chamber is guided by the following principles:

- Promoting a Globally Competitive Tax Climate
- Decreasing the Regulatory Burden on Business
- Sustaining a Strong Workforce
- Maintaining a Strong Infrastructure
- Supporting Economic Development & Diversification

We are a broad, pro-business coalition that effectively executes a policy and political agenda endorsed by Arizona's business community. Our impact is further amplified by the Arizona Chamber Foundation and the Arizona Manufacturers Council, two organizations that are housed by our Chamber.
